Request for GP...

To

The Director cum Chairman Senate,
SLIET, Longowal.

Subject: Request regarding grant of GP marks by ignoring extraordinary circumstances of COVID- 19.

Sir,

My son- Master. Bhavya Jyoti Singh (DCS/1911006) had submitted student evaluation appeal form to HOD- CSE, regarding award of inappropriate GP grading in extraordinary circumstances of COVID- 19. Department of Computer Science & Engineering has followed criteria given at Page No. 28 of rules book for ICD, which was not applicable during COVID- 19 (extraordinary circumstances). There was national level lockdown in 4 semesters out of total 6 semesters. It was not possible for ICD students to participate in Institute level/State Level/University Level/National level activities (as per clause D12.10.3 of page No. 28 of rule book for ICD) due to lockdown.

It is requested to look into the matter by Chairman Senate because channel - HOD-CSE & Dean (Academics) have not given appropriate merit to the student evaluation appeal form submitted by son. It is requested to review the GP marks grading for whole class of DCS/19 batch.

Thanking you.

HoD (CSE) - The evaluation and award of GP marks were done by the committee constituted as per rule D 8.10.2 of the rules book of ICD according to the criteria mentioned in clauses D 8.10.3 and D 8.10.4.

As per clause D14 – The power to modify rules and regulations, the department does not hold any power to modify the rules mentioned in the rules book.

Furthermore, the purpose of GP grades is to encourage the participation of students in various types of co-curricular activities mentioned in the clause D 8.10. It does not affect the overall CGPA of the students in any manner.
